WOMEN'S CENTER

Guiding Principles

1. CWC is an outreach ministry of Jesus Christ and is committed to presenting the gospel to its clients in both word and deed. Accordingly, those who serve as volunteers and staff are expected to know Christ as their Savior and Lord.
2. CWC is committed to providing clients with accurate and complete prenatal development and abortion information in order to make fully informed decisions
3. CWC offers all available services free of charge.
4. CWC is committed to ensuring abortion education is provided in a caring and compassionate manner. All related materials are reviewed by qualified medical professionals to ensure medical accuracy. When using pre-approved materials to educate (not shock), clients are given specific warnings and permission is obtained before showing materials that contain graphic depictions of abortion or its results. No client will ever be asked, pressured or coerced to view materials they did not indicate a desire to see.
5. CWC is committed to integrity in dealing with clients, earning their trust, and providing promised information and services. CWC denounces any form of deception in its advertising or in conversations with clients.
6. CWC is committed to enabling clients carry-to-term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, clients may face the future with hope and plan constructively for themselves and their babies.
7. CWC does not recommend, provide, or refer for abortion or abortifacients

8. CWC does not recommend, provide, or refer clients for contraceptives. Married clients seeking contraceptive information are encouraged to seek counsel from their physician and/or pastor.
9. CWC recognizes the validity of adoption as an alternative to abortion, but is not partial to adoption when compared to other life-affirming alternatives. When interacting with adoption agencies, CWC will avoid any conflicts of interest and ensure all actions are made in the client's best interest.
10. CWC is committed to increasing awareness of client needs within the community and the fact that abortion only compounds human need rather than resolving it.
11. CWC does not discriminate in providing services because of the race, creed, color, national origin, age, gender, or marital status of its clients.
12. CWC otherwise upholds all of the principles and requirements set forth in our Commitment of Care.
